The City of Rapid City Solid Waste will be hosting a free waste-tire disposal program for residential customers in the Rapid City landfill service area.

Chris Huber, Journal staff

The City of Rapid City Solid Waste will be hosting a free waste-tire disposal program for residential customers in the Rapid City landfill service area. Waste car and truck tires will be accepted at the landfill beginning Monday, Oct. 8 through Saturday, Oct. 13, during regular landfill hours, 7 a.m. to 4:45 p.m. (No commercial tire businesses are eligible for free disposal of waste tires.)

Funding for this program is from a grant for \$60,000 to the Rapid City landfill from the South Dakota Department of Environment and Natural Resources for the collection and proper disposal of waste tires.
