Attention Box Elder residents!

Due to the flooding conditions, any (or all) of the crossings of Box Elder Creek may be closed in the immediate future. Please consider using alternate travel routes.

For the Prairie View residents, the gravel road in between Prairie View and Creekside will be opened if S. Ellsworth is closed.

If the bridge is closed on Radar Hill Road, will be able to use other end of Radar Hill Road from Rapid Valley (Hwy 44, Long View Road, etc..).
