

ORDINANCE 183

An Ordinance to amend #175, an Ordinance governing sick leave for employee's

Be it Ordained that, to effectively implement the new sick leave policy for the employees of the City of Box Elder, and to more effectively transverse equitably from the old sick leave program to the new sick leave policy, the City of Box Elder shall give credit to the said employees eight (8) hours sick leave for each consecutive month of employment with the City of Box Elder, there shall be no bridging of time for any employee who left the employment of the City of Box Elder and then returned unless it was due to any exceptions authorized by the newly adopted policies and procedures, and that all the requirements within said policies and procedures were met.

Once the appropriate time has been calculated, any time taken for sick leave shall then be deducted from the accrued time given by the City of Box Elder and this shall be the time carried over from the old sick leave plan to the new sick leave policy.
