

**CITY OF BOX ELDER ORDINANCE #671
TO AMEND ORDINANCE #647**

**TO AMEND SECTION 42-158 APPLICATION FOR WATER SERVICE BY A
RESIDENT OR CUSTOMER**

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF BOX ELDER, TO
AMEND SECTION 42-158 TO READ AS FOLLOWS:

42-158 Application for water service by a resident or customer

- (a) Applications for water, sewer, and garbage service will be made in person at the water billing office. Valid identification shall be required of the applicant. The customer whose application for water service is approved is thereafter responsible for payment of all bills incurred in connection with the water service furnished by the city.
- (b) Application for water service may be denied for any property or address that has had three delinquent account events during any 12-month period. Applicants for water service from these locations will only be accepted from the property owner.
- (c) A customer deposit is due and payable to the city with the application for water service.
- (d) A customer whose application for water service is approved is thereafter responsible for maintaining a valid mailing address with the administrative office.
- (e) The signed application for water service shall be deemed consent by the applicant to allow public works department employees access to the customer's premises, at all reasonable hours, for purposes of installing, reading, inspecting, maintaining or removing water meters, for fixing water lines, to access a curb stop to shut off or turn on water, or for any other purpose in connection with water service.
- (f) The public works department shall require proof of an approved city moving permit before providing water service to a manufacture home and shall require that such a home be skirted, if not place on a basement or crawl space, before providing water service.
- (g) The public works department may require a customer to grant or convey, or cause to be granted or conveyed, to the public works department a permanent easement and right-of-way across property owner or controlled by the customer whenever said easement or right-of-way is necessary for the public works department to furnish water service to said customer.

Dated this 21st day of July, 2021.
