- A. The vehicle subject to an approved "Vehicle Restoration License" shall be kept covered by a car cover or tarpaulin when not being worked upon. Said car cover or tarpaulin shall be adequately secured to prevent being blown about by the wind.
- B. Vehicle parts, including tires, to be used for repairing or restoring a Licensed vehicle shall be stored within the covered vehicle, be covered by a car cover or tarpaulin, or be stored within a building when the vehicle owner is not actually working on the vehicle.
- C. Violation of License requirements or repeated violations of the City's nuisance regulations concerning the unlicensed or inoperable vehicles or vehicle parts by the Licensee or on the Licensed property shall be grounds for restricting or revoking a "Vehicle Restoration License."
- D. No Vehicle Restoration License may be renewed more than four (4) times.
- E. A Vehicle Restoration License may be renewed annually after approval.
